Intro

- They have been saying that this has been a momentous week. Indeed it has. These past weeks have shown the Muslims that
 - indeed this ummah is one ummah and not various nationalities
 - That we are strong and not weak
 - That the rulers are cowards and agents
- The web of kufr they tried to entangle the Ummah in, has been destroyed for good. For example
 - The misplaced hope in democracy has gone
 - The misplaced hope in UN has gone
 - The misplaced hope in IL has gone
- The kafir themselves have lost all hope of turning Muslims away from Islam. **THEY HAVE LOST.**

Indeed it has been a momentous few weeks. But it's not over. It is not yet over, there is yet one more event to take place that will shake the mountains and spread panic in the West. There is one more event that will cause the thrones of the tyrant regimes to crumble and cause the tyrants to run like mice. It will truly be a **MOMENTOUS** occasion... and that will be the **announcement** of the Khilafah. I say the announcement because all the building blocks are in place.

Dear Brothers, this is the beginning of the end of Capitalism because the Khilafah state is on its way.

This is a war against Islam but it is now coming to an end because the Kuffar have exposed their real motive. Even the most naive Muslim NOW realises what Allah (SwT) had already warned him about in the Quran Kareem :

Wal anTarda unc al-Yahoodu wal an-Nasara hatta tattabi' ala millatahum

Why do we say they have Lost? It is a fact and observable

- **All their plans have failed:**
- Christianity was removed from the political landscape without any conspiracies or wars, but against Islam they plotted and planned for hundreds of years and have failed. How true the ayah is when Allah says

wa makkaru wa makarallahu wallahu khairul maakireen.
- **They fought us in the crusades and lost**
- **So they tried to corrupt our Islam but failed.**
 - The Englishman Prime Minister Gladstone said in the house of commons whilst holding the Quran, "There are two things that represent an insurmountable obstacle facing our settlement in the Islamic countries and it is necessary to exterminate them at any price: First the THIS book, (he paused and pointed to the East) and that Kabah
 - The Frenchman who ruled Algeria said "We will not defeat the Algerians while they are still reading the Qur'an and speaking Arabic. We need to remove the Quran and uproot the language from their tongues."
- **They destroyed the Khilafah to remove Islam**

- The Germans wrote in their magazine Der Spiegel “We got the Muslims twice for what they did to us in the crusades. We destroyed their Khilafah and we created the state of Israel”
- **They colonised our lands and forced secularism on us, but they failed**
 - The Italians when occupying Libya sang “ I am on my way to Tripoli, to sacrifice myself, to destroy that evil nation by fighting the Islamic religion”
- **They used agents to fight us, but all their agents have failed.**
 - All puppets fear the ummah and back track and lie to them
 - Even their agents in Britain the MCB have been exposed
- **All of the above proves their crusader mentality and hatred for Islam.**
 - Quotes from Reagan and Bush
 - Which is why they now talk about direct rule and a new kind of imperialism. **Robert Cooper** Tony Blairs advisor has called for this
- **They have failed to convince the Muslims of Capitalism and they know it.**
- When they destroyed the Khilafah and created various new nations they installed dictators, because they know that democracy doesn’t work. It works in the west but not over ideological people.
 - They waited until 1990 in Algeria
 - Man made law can never work because it means the strongest will always rule the weak.
- International Law and the UN has been exposed as a means for powerful nations to control weak.
 - No need for example. It is obvious
- Human Rights : Guantanamo Bay
- Freedom of speech : Journalist killed, protestors in America arrested
- Freedom of Belief : They are asking people to become Christians before they receive water in Basra.

America’s misadventure in Iraq has shown that the Ummah is ready for and demands Islam

- Verily this ummah is one ummah
Inna hathihi ummahtikum ummatun waahida, wa anna Rabbakum fa’budoon
 - Huge demos in Muslim countries. 100,000s in Pakistan
 - Peshawar Muslims asked for visas to go and fight in Iraq
 - The irrelevance of the OIC and the rulers has been witnessed
- The vast majority of the Muslims of Iraq have not welcomed the aggression of the Crusaders.
 - In Basra a imam who was working with the kuffar was lynched and killed in the masjid
 - Pictures from Baghdad showed only a handful
- The ummah has lost fear of her agent rulers
 - Egypt lawyers want to take Mubarak to court
 - The ummah has seen through the lies and deception of her rulers Army bases
 - Jordan Lawyers demonstrate reported on BBC
 - Egyptian demonstrations lost fear the one thing the tyrants rule with.
 - An attempted coup

- The ummah realises that she is strong and not weak
 - Weak ill-prepared army put up a fight
 - The arab world was annoyed that saddam did not put up a fight
 - Exposed the myth of Israel that she is strong
- Whilst the ummah became one over the past few weeks, the kuffar have become divided and mistrusting of one another.

Victory is ours. It is merely a question of time

The ummah now believes she is one Ummah and this has been categorically proven by her actions. The ummah is without a shadow of a doubt that she has no protector.

- Not the UN
 - not America,
 - not the OIC
 - and most definitely not the agent rulers.
 - She has no one, which is why it is now merely a question of time
- Imam Ahmad extracted in his Musnad (5-114) on the authority of Ubay Ibnu Abi Ka'ab (RA) that he said: The Messenger of Allah (SAW) said: "Bring glad tidings to this Ummah, she will have the power, the pride, the deen, the victory and the authority on earth. So he who worked to reap the rewards in this life rather than in the hereafter, he would have no reward in the hereafter."
 - Yunis Ibnu Maysara Ibnu Halbas is reported to have said: The Messenger of Allah (SAW) said: "This rule (i.e. the Khilafah) will be after me in Madina, then in Al-Sham, then in the peninsula, then in Iraq, then in Madina, then in Bayt Al-Maqdis (Al-Quds), and when the rule is established in Al-Quds, that would be its place, and thereafter nobody will be able to remove it."
 - Sahih Muslim: on the authority of Thawban: "The Messenger of Allah (SAW) said: Verily Allah has cornered (i.e. gathered together) the earth for me, so I saw its eastern and its western parts. And verily the authority of my Ummah will reach the parts of the earth, which have been shown to me."
 - Which of the two cities would be conquered first, Constantinople or Rome? So Abdullah asked for a box to be brought, and from it he took out a book and then said: We were once gathered around the Messenger of Allah (SAW) writing, and he (SAW) was asked: Which of the two cities would be conquered first, Constantinople or Rome? The Messenger of Allah (SAW) replied: The city of Heraclius will be conquered first (meaning Constantinople)".

innahu la yayasoo min roohillaahi illal quumul kafiroon

Certainly no one despairs of Allâh's Mercy, except the people who disbelieve." [Yusuf 87]

If the promise of Allah is true and those who revive the Khilafah even the prophets will be jealous of them then if you are not working for the khilafah what are you doing ?

There is no greater honour there is no greater reward

The whole ummah needs to make one big push to topple the regimes now is not the time to relax but to liberate the lands of Islam and the oppressed people of these lands. Now is the best chance. There is no time to waste. So if you are not actively working for the khilafah, please come and talk to any of the brothers from Hizb ut-Tahrir so that Prophet can be proud of you on the day of judgement which will inevitably come.

Come and work with us, because any day soon history will be made. All the signs are there:

- The ummah has lost here fear of America and increased her hatred for that America stands for.
- The ummah has lost here fear of her tyrant rulers
- The ummah has bonded like she never bonded before.
- We have no Khalifah but the ummah stands shoulder to shoulder
- The ummah is ready to receive her leader so that she may be led
- I say the Ummah is ready to welcome her Khalifah to straighten her ranks.
- This Ummah is ready to fight the kafiireen from behind the Khalifah
- And this ummah is more than ready.... This ummah is hungry and itching for the destruction of the Jewish state of Israel.
