

Circle: The only solution for Palestine

- ◆ The current conflict in Palestine where many Muslims have been killed has ignited the emotions of the Muslims worldwide.
- ◆ The Muslims are right to feel the problem of Palestine as we feel all the other problems facing the Ummah like that of Chechnya, Kashmir, etc. The Prophet (saw) said in one Hadith: ***“No one of you is a true believer unless his emotions are in line with what I have brought”***
- ◆ However this does not mean that the Muslims are allowed to respond to the situation in Palestine any way they feel or any way that may remove the guilt. Rather the Muslims must view the issue of Palestine from the eyes of the Shariah and look to Islam to define the solution to the problem of Palestine and how an individual can work for this solution. The Prophet (saw) also said: ***“No one of you is a true believer until I become the mind by which he thinks”***
- ◆ Muslims have witnessed the problems of Palestine and other afflictions upon this Ummah for many years – they have witnessed the failure of the PLO and other attempts at patchwork solutions fail. People have come to realise that sending a few pounds, signing petitions, etc is not going to make the problem of Palestine go away.
- ◆ We must realise that the only solution to the problem of Palestine and the other problems facing the Ummah is to re-establish the Khilafah state which is the solution that Allah (swt) ordained upon us.
- ◆ The Khilafah will remove the unnatural entity of Israel via Jihad. It takes an army to defeat an army, a state to defeat a state. The Khilafah will liberate all the Islamic land like that occupied by the Russians and India.
- ◆ In the past when the Muslims faced problems and atrocities they had the mechanism of the Khilafah to solve these problems. So when we faced the problem of the Baghdad being ransacked by the Mongols in 1258 CE, we referred to our belief to solve this problem and we retook Baghdad and that region. When the **Crusaders** took the land of Palestine in the past Salahuddin Ayyubi (Raheemullah) under the Khilafah retook Palestine.
- ◆ We must realise that the Khilafah is the only solution to Palestine, any other solution proposed is born out of naivety and contradicts Islam.
- ◆ It is obligatory upon every Muslim to work to re-establish the Khilafah.

The Messenger of Allah (saw) said *"The hour will not come until the Muslims fight the Jews and the Muslims kill them, until the Jews hide behind the rocks and trees, and the rocks and trees say: 'O Muslim! O Abdullah! A Jew is here behind me, so come and kill him', except the Gharqad [boxthorn], which is the tree of the Jews."*

Note: A new leaflet from the Party on the Palestinian issue is currently being translated, inshallah it should be completed soon. Please use the main points from for the circle.
